

We're building a community of carers based on respect and support.

Work with confidence

Our nannies can focus on what they do best, knowing that we have them covered. On top of standard employment benefits, employees of Nanny Match also enjoy:

- A yearly payrise
- Automated timesheets
- Private and public indemnity insurance
- Formal employment agreements with each family
- Sick and holiday cover

Receive employment benefits

We believe nannies deserve the same employment benefits as everyone else. Our nannies receive:

- Casual loading
- Tax contributions on your behalf
- WorkCover insurance
- Superannuation
- Fortnightly payroll

Enjoy community support

We care for our carers and believe each person brings something special to our group. As a member you'll enjoy:

- Wine-downs and social events with like-minded nannies
- Phone chats and coffees to those who need support throughout their placements
- Opportunities to share your talent or up-skill at our workshops and courses

Pay rates

All our nannies start on a rate between \$22-\$30 + super depending on experience.

You can look forward to a \$1 per hour payrise every year you work with us.
